

### **Designer Frames at Affordable Prices!**

The EyeDoctors & Peoples Optical are excited to announce the launch of several new frame lines. These lines offer stylish options to patients looking for quality and durability in a pair of glasses. Altair frame lines combine high quality materials, new & classic styling, and affordable pricing (starting at \$120) to provide patients yet another great choice when shopping frames.

The lines offered include such brands as Tommy Bahama, Sigrid Olsen, Joseph Abboud, Revlon, and Sight for Students. With such a wide selection of style and color, everyone is sure to find the perfect new pair of glasses.

Feel free to stop by anytime during office hours to shop the new selections. As always, we'll take the time to personally assist you during your shopping experience and answer any questions. We look forward to seeing you soon!
