The EyeDoctors, Optometrists are pleased to announce that a new Optometrist has joined their practice. Dr. Christina Heptig is now accepting appointments in their Junction City and Topeka offices in July of this year. Dr McClain states that he is, “excited to have Dr. Heptig join us. Her expertise and use of the latest eye care techniques will be a great asset to our practice”.

Dr. Heptig specializes in primary care optometry. She enjoys taking care of the needs of every patient, both young and not so young. Dr. Heptig spent her childhood in Winfield, KS then furthered her education at Kansas State University receiving degrees in both Biology and Leadership Studies. She went on to Southern College of Optometry in Memphis, Tennessee earning her Doctorate of Optometry degree. Before joining The EyeDoctors, Optometrists Dr. Heptig completed her externships in Los Angeles, CA and Wichita, KS.

Dr. Heptig’s commitment to excellence, based on her extensive training, guarantees a knowledgeable and thorough eye health evaluation.

She is now accepting new patients so please call to make an appointment:

Junction City 785-223-5777
Topeka 785-246-3937
